

quick. easy. strong.

(CONTAINER MODIFICATION HAS NEVER BEEN EASIER)

Prepared for: NICMA Internation Holdings Ltd.

Overview

We placed 1550 lb. on each of the top two shelves, with the total combined weight of 3100 lb. By placing all of the weight on two out of three shelves, our tests concluded no weaknesses within the welds, and only deformation of the front and rear supporting rods.

	Weight (lb.)
Total Weight Placed	3100
Weight Per Shelf	1550
